

## Search tips

- Look for inventors or applicants (i.e. people or companies that are active in the field, e.g. from articles or already identified patent documents)
- Use keywords (flying carpet)
  - With or without truncations (fly\* and carpet?)
  - Proximity operators
    - words away from (ordered and non-ordered), before, same sentence, same paragraph (fly\* 3d carpet)
  - Synonyms (fly\*, transport\*, moving or move, carrying or carry.. )
- Classification ([B64C39/00](#): Aircraft not otherwise provided for)
  - E.g. CPC or IPC classification
