

## Links to social security authorities in EU

As part of your Danish university employment, it must be clarified which country's rules regarding social security you are comprised by. Inside EU/EEA this is handled by filing an application for a form A1 with the authorities.

The form is obtained by contacting the relevant authority. In this regard, a list containing links to the websites of the relevant authorities in the European countries is found below.

Please note that the links and institutions below may be subject to change (February).
