INTRODUCTION

This catalogue contains the computer, display and docking station models included in AIT's current purchase agreement as well as AIT recommended accessories.

Be advised that all prices in the catalogue (except those determined in AIT's purchase agreement) are set by the suppliers, and though we strive to keep this catalogue up to date, we may not be notified of all price changes immediately.

AIT RECOMMENDS - AIT STOCK ITEMS

Items marked with the **AIT recommends - AIT stock item** stamp, are the items we strive to always have in stock, and as such their expected delivery time is shorter.

DELIVERY TIME

All Delivery times are currently up to date

We are continually working on getting IT equipment to DTU as fast as possible.

Current expected delivery time:

Standard	2-4 weeks
Extended	3-6 weeks

UPGRADES & UNLISTED ITEMS

The current purchase agreement contains newer hardware, meaning that each computer model (except the desktop workstation) is more powerful than the last agreement's "Performance"-version of the same model.

For further upgrades to a computer model or for items not listed in the catalogue, please contact [IT Service](#) to be advised in customizing or finding equipment to match your needs. Be advised, that this will result in extended delivery time (see above).

ERGONOMIC EQUIPMENT

For ergonomic equipment (such as wireless mouse and keyboard, backpacks, and wrist support), please refer to the **IT Ergonomi** section of the [Ergonomics Catalogue](#) (currently only available in Danish).

PURCHASING ITEMS

See [DTU Inside - Order IT equipment](#) for information on purchasing any IT equipment.

Be advised that accessories must be purchased through [DTU Fusion](#).

When AIT receives an order for IT equipment, it is assumed that the necessary approval from manager has been obtained.

EQUIPMENT FOR ADMINISTRATION EMPLOYEES

STANDARD SETUP

AIT will supply each administration employee with 1 of the following setups:

Laptop setup	
PC	1x standard laptop computer (with built-in webcam)

PAYMENT

Equipment for 1 setup per administration employee as described above is paid by AIT. In other cases, including but not limited to the following, the department pays for the special or additional IT equipment:

- When ordering non-standard IT equipment.
- If employee has multiple workplaces, for example on another campus, or a home office.
- If changes in an employee's tasks or the department's processes result in the need for additional IT equipment or upgrades to existing IT equipment.
- If employee or department wishes to replace IT equipment before the end of its warranty period.
 - IT equipment is assessed to be usable for the full warranty period of 4 years from purchase.
 - This also applies to damages not covered by the warranty.
