

Do you work in a laboratory - or order supplies for laboratories?

Get insight into DTU's agreements and the suppliers' product range

At the laboratory fair, you can meet the suppliers behind DTU's agreements for laboratory consumables, basic chemicals and advanced chemicals.

They will present their products and provide insight into the available range, giving you a better overview of the possibilities within the agreements and how they can be used in practice..

You can, for example:

- Meet the suppliers behind DTU's agreements
- Explore the products
- Gain insight into the product range available through the agreements
- See how the agreements can be used in your work

As a participant, you will get a good overview of the opportunities the agreements offer and how they can support your work.

The fair is also a great opportunity to ask suppliers questions, find inspiration for new solutions, and build useful connections.

✗ Save the date – we hope to see you there!

Feel free to invite colleagues who work in or order for laboratories.
